Christian Brothers College continues its long standing tradition of offering one of the most competitive fee schedules of any private college in Adelaide. College fees support the employment of quality staff and the provision of high quality, 21st Century, innovative and affordable Catholic education.

Financial Charter:

Fairness and equity for all parents

CBC has established a scale of fees at a level that:

1. Ensure CBC retains its national and world class status as a leading and innovative education community providing quality facilities, buildings and equipment.
2. Permit the recruitment, ongoing training and formation of exceptional teaching and support staff to facilitate a centre of educational excellence where a Christian based education program prepares students not only to be resilient caring men of the world but valuable contributors to the workplace and tertiary education.
3. Encourages and supports Indigenous enrolments.
4. Is committed to supporting refugee families with enrolments.
5. Supports families on the margins or those with limited financial resources to enrol their sons in the College.
6. Represents excellent value for money providing excellence in education with one of the most affordable private college fee structures.

All parents in return are expected to honour their financial commitment made at enrolment in payment of all fees and levies by:

1. Paying yearly or term instalments in advance, making monthly payments by the nominated date, and arranging for these deductions from a credit card, direct debit, payroll deductions or government benefit (Centrelink).
2. Assuming responsibility to explore all other options to pay the College fees on time before seeking any deferment or reduction in fees from the College.
3. Advising the Business and Finance Manager when financial difficulties are being experienced which could result in deferred payment, with the consent of the College. Parents are expected to seek independent financial advice.
4. Advising the Principal if the above steps have been implemented and financial obligations are still unable to be met.

Parents paying College fees on time will allow our College to meet staff salary commitments and College financial obligations to suppliers and financiers, and to minimise any interest charges or late payment fees as a result of not receiving parents’ College fees on time.

The College Board mandates an equitable but firm process to ensure school fees are paid in a timely manner. The College works closely with families in a professional and compassionate manner to recover debts. When College processes are exhausted the debt collection process will include legal or other necessary action to ensure College fees are collected in full.

The College Board considered the following, in setting fees for 2017:

1. CBC currently has one of the lowest fee structures of any Catholic College in South Australia. When comparing fees, consider the final dollar amount after additional curriculum, sport and camp fees and charges. CBC's additional fees are among the lowest in the state.
2. The quality of a school is dependent on the quality of its staff. Your fees ensure CBC attracts leading educators and offers ongoing professional development opportunities to ensure your child has access to quality teachers.
3. CBC tuition fees ensure students receive world class contemporary teaching and learning in state-of-the-art educational facilities, including:
   - Multi-award winning Junior Campus constructed in 2011;
   - Trade Training Electro-technology Centre;
   - Renovations to O'Brien Classrooms;
   - Multi-purpose sports facility on Hutt Street;
   - Resurfacing of the rooftop playing field;
   - World class Rice Building Learning Centre;
   - 21st Century STEAM (Science, Technology, Engineering, Arts and Mathematics) Facility; and
   - High technology lecture theatre and theatre video system in the College gymnasium.
4. As a leading digital college, CBC promotes digital communication and the very latest in ICT innovation.
   - Junior Campus students have access to interactive devices including: iPads, laptops and Samsung interactive televisions.
   - Parent Owned Device program for Senior Campus students (Years 7–12).
   - Wireless access is available in all teaching areas. An online portal allows parent, teachers and students access to online learning and ‘just in time’ access to student learning data, uploaded teacher lesson links, online work submission and resources. College Facebook, co-curricular phone apps and an sms parent messaging system ensure timely school/parent communication.
5. Innovative fundraising enterprises such as the CBC 'Clipsal Corner' and a voluntary tax-deductible Building Fund mean school fees are kept affordable and parents are not levied for building projects.
6. CBC offers generous discounts including sibling, School Card and fee remissions; for families in need. A confidential and personalised service is available.
7. Whilst the College will work closely with all families to minimise late or non-payment of fees, parents are reminded that failure to meet their commitments from the commencement of each school year will result in debt collection charges (and associated fees incurred), legal action or re-enrolment of your child.

CBC continues to enjoy national and international acclaim for outstanding education. Our success is reliant upon the reliable and prompt payment of fees from all parents/caregivers, according to the fee payment option chosen. We welcome the opportunity to discuss any aspect of our fee structure with you and are deeply respectful of the financial sacrifice you make to ensure your child’s education is world class.

Payment of Fees
In-line with the terms of the enrolment contract signed by parent(s) / caregiver(s) it is the responsibility of the enrolling parent(s) / caregiver(s) to ensure that their fees are paid in a timely manner and in accordance with an approved payment arrangement.

The College reserves the right to re-enrol students should unpaid fees continue to accumulate and place families in further financial risk.

Separated Families
Family fee accounts are billed to the enrolling parent(s) / caregiver(s) as per the enrolment contract. Where families are separated the College expects the enrolling parent(s) / caregiver(s) to organise their own payment arrangement of fees ensuring that their fees are paid in a timely manner where the College agrees to split the family fee account for administration purposes. The College will always reserve the right to hold the enrolling parent(s) / caregiver(s) joint and several liability of outstanding fees at all times.

Families In Financial Difficulty
A request for a fee concession because of financial difficulty must be addressed to the Business and Finance Manager of the College. On receipt of the completed Application for Reduction in School Fees (2017) form, an assessment will be made as to eligibility and an interview may need to be arranged to enable a confidential and considerate assessment of the situation. If you require assistance in completing this form, please contact the College and make an appointment with a member of the Finance team in the first two weeks of Term 1, 2017.

Uniform Shop
School uniform and sports attire can be purchased from the School Uniform Shop located at 227 Flinders Street, beside the entrance to the CBC Sports Centre car park. Please refer all enquiries to the Uniform Shop Manager, Ms Julie Foor (8400 4249).
