VET in SACE

What is VET?

Vocational Education & Training (VET) is industry focused and nationally accredited vocational learning which provides students with the skills, training and knowledge for the world of work and life beyond their senior secondary schooling. VET studies embedded as part of SACE is delivered, assessed and certified by Registered Training Organisations (RTOs).

Why choose VET studies at CBC?

Studying VET as part of your SACE enables you to get a head-start on a qualification, which is a great way to fast-track progress towards a rewarding career.

Completing SACE using VET Studies

If you are thinking about becoming a carpenter or electrician, or want to work in hospitality, tourism or business management, then including VET in your SACE could be the right choice for you.

Students can gain recognition for up to **150 SACE credits** at Stage 1 and/or Stage 2 for successfully completed VET.

You need **200 credits** in total to achieve your SACE.

The remaining **50 credits** are made up of:

- 10 credits against the Stage 1 Personal Learning Plan
- 20 credits chosen from a range of English subjects and/or courses at Stage 1 or Stage 2 (literacy requirement)
- 10 credits chosen from a range of mathematics subjects and/or courses at Stage 1 or Stage 2 (numeracy requirement)
- 10 credits against Stage 2 Research Project.

The SACE Board determines whether the SACE credits earned for a particular VET qualification will be recognised at Stage 1 or Stage 2. Students can refer to the VET Recognition Register for more information about recognition at Stage 1 and Stage 2.

Reporting On SACE Certificate

Students' VET achievements will be reported on their SACE Record of Achievement against the qualification(s) that they have successfully undertaken.

What VET Programs can I choose from?

CBC offers students a wide variety of VET courses both on and off campus. Students can also enrol in the ACE TTC Certificate II in Electro-technology course delivered on a Friday in the Trade Training Centre by tafeSA trainers.

Course flyers and further information can be obtained from Ms Mitchell, CBC Careers/VET Co-ordinator.

Music Ensembles

Junior Campus		Senior Campus	
Guitar Ensemble	Concert Band	Concert Choir	Percussion Ensemble
Junior Choir	Catholic Schools Music Festival Choir	Senior Vocal Ensemble	Guitar Ensemble
