Mobile Phone Policy

Mobile phones and other electronic devices may be brought to school but remain at all times the responsibility of the student.

At the Junior Campus, phones and devices must be handed in for safe secure storage in the black office pouch on arrival at school. These will be returned at the end of the school day.

At the Senior Campus phones and devices must remain in a student's locker between the first and last bell of the day and can only be accessed within the locker during standard break times.

They are only allowed to be taken to class with explicit teacher permission for appropriate educational purposes.

Students not adhering to this policy will have their phones or devices confiscated and collected at the end of the day from Student Reception.

Due to our policies, the camera feature on mobiles is not permitted to be used at any time unless under teacher direction for pre-approved educational purposes. Students are reminded that the use of mobile phones as a form of cyberbullying is in breach of our Harassment Policy.
